

## Apprenticeships Business Briefings for South Yorkshire Businesses

The events are being supported by Doncaster Chamber of Commerce and Enterprise, Federation of Small Businesses, Sheffield Chamber of Commerce & Industry and South Yorkshire Female Entrepreneur Network. The business briefings will have speakers from businesses in some of the following sectors: Retail, Construction, Hospitality & Catering, Business & Customer Care and IT & Finance. They will provide specific sector insights into the benefits of employing apprentices, but businesses from all sectors are encouraged and welcome to attend.

There will be the chance for you to talk to apprentice employers and the LSC about apprenticeships, how they are funded and the high-quality training that is tailored to meet the needs of employers.
